

CONTRACTOR OPEN HOUSE

Tuesday
Oct. 25th
5:30-6:30pm

hosted by the Rochester Housing Authority

Topics for contractors and vendors include:

Who is RHA? | Our typical projects | Upcoming projects | Procurement process

With nearly 2,500 low-income housing units under our management, RHA performs millions of dollars in rehab and construction work in the Rochester area each year. Our goal is to partner with reputable and local contractors interested in furthering our mission to provide safe and quality housing to those in need. This Open House is an opportunity for new and existing contractors and vendors to learn more about our ongoing needs and future projects. Refreshments will be served and we look forward to having you join us.
